*"A World of Flavor
Healthy Living with Natural
Products"*

About Us

Founded in the heart of Adana in 1999, Sena Baharat has made it its mission to bring naturalness and quality to your table.

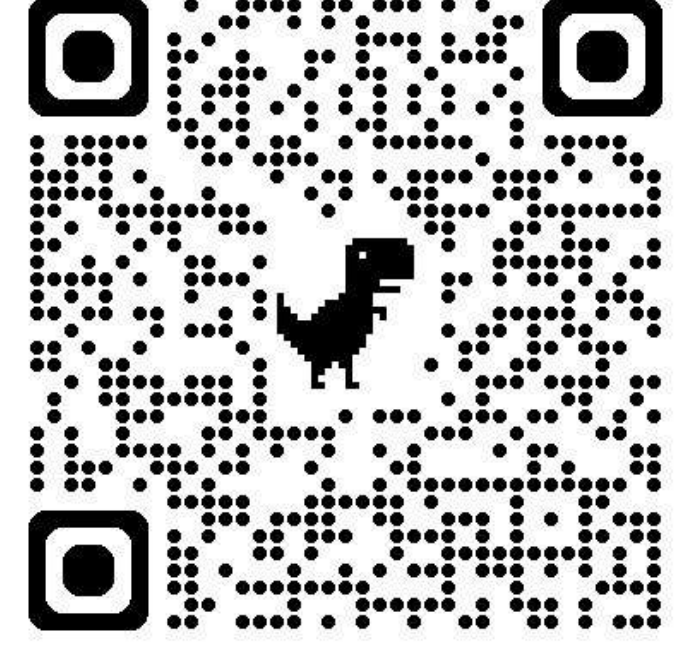

With years of experience and a carefully curated product range, we offer you the freshest and most aromatic spices.

Prioritizing customer satisfaction, we proudly deliver unique flavors to both homes and businesses.

We are here to add taste to your dishes and elegance to your table with our healthy, reliable, and natural spices.

Extra Hot Crushed Red Pepper SKU: 2700158

Carefully selected for those who love intense heat, this crushed red pepper adds a bold aroma and a distinct spicy flavor to dishes. With its ability to reach high levels on the Scoville scale, it stands out for its fiery character. For this reason, it is recommended to adjust the amount used according to personal taste. A staple of traditional Turkish cuisine, crushed red pepper is a natural flavor enhancer frequently used in kitchens. When stored properly, it retains its freshness for a long time.

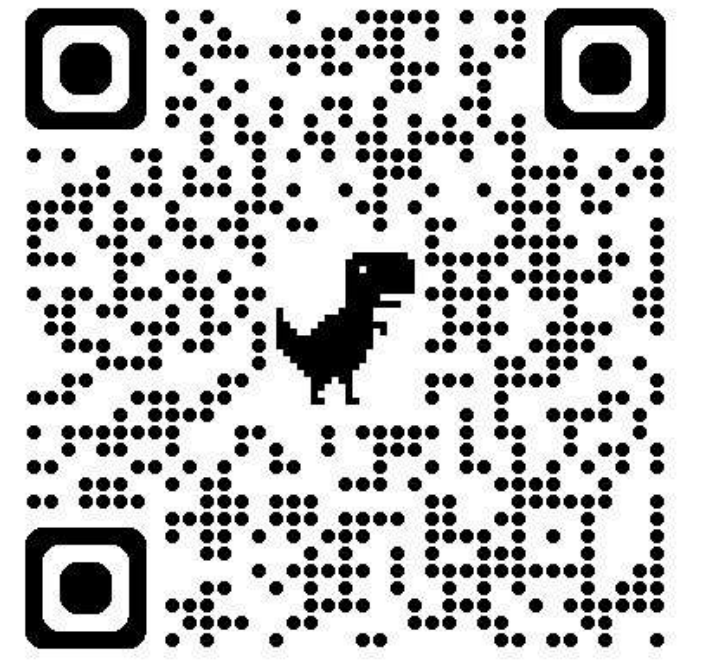

Silky Crushed Red Pepper

SKU: 2700022

Silky Crushed Red Pepper, known for its soft texture and vibrant red color, is a beloved flavor in Turkish cuisine. With a balanced heat and rich aroma, this product is an ideal choice to add color, taste, and visual appeal to dishes. It can be used both during cooking and at the time of serving. Thanks to its natural content and unique texture, it is frequently preferred in kitchens.

Pure Crushed Red Pepper
SKU: 2700021

Pure Crushed Red Pepper, produced using traditional methods, stands out with its natural color and unique aroma, making it an ideal choice to add an authentic flavor to your kitchen. Its balanced heat and rich texture provide both taste and visual harmony to dishes. This spice, which has a wide range of uses from breakfast spreads to hot meals, is frequently preferred at the table thanks to its natural composition and freshly ground form.

Sweet Crushed Red Pepper

SKU: 2700025

Sweet Crushed Red Pepper stands out with its bright red color and mild flavor. Its balanced aroma, free from heat, makes it compatible with a wide variety of dishes. It is versatile, used in everything from meat and vegetable dishes to soups and breakfast spreads. Dried naturally and carefully ground, this product adds value to your table both in taste and appearance. Its mild sweet aroma appeals to consumers of all ages.

Hot Ground Red Pepper SKU: 2700082

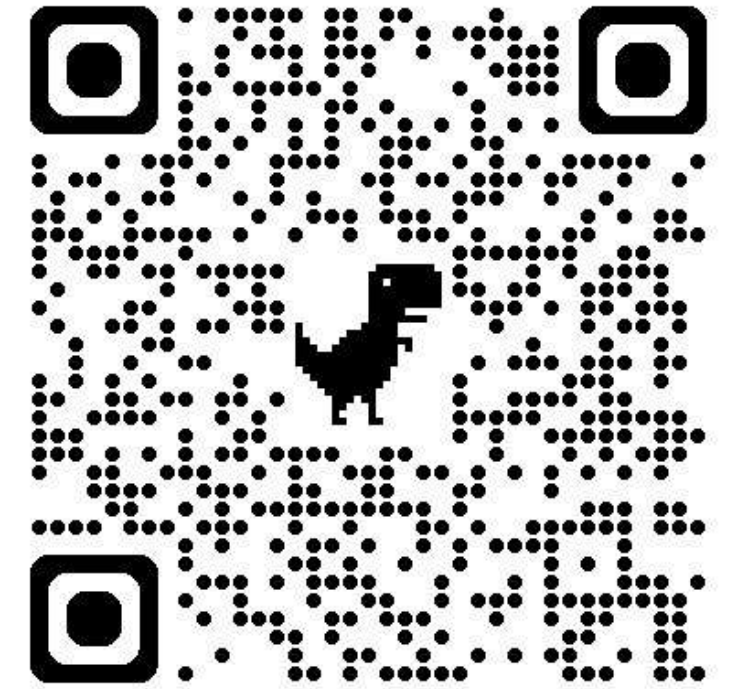

Hot Ground Red Pepper stands out with its color, aroma, and spiciness, making it an ideal choice for those seeking intense flavor in the kitchen. Its finely ground form blends easily into dishes and can be used in a wide range of recipes, from soups and meat dishes to sauces and vegetable meals. Produced using traditional regional techniques, this product preserves its natural quality and fresh aroma, delivering a powerful taste to your table. The amount used should be adjusted according to personal preference.

Sweet Ground Red Pepper
SKU: 2700083

Sweet Ground Red Pepper stands out with its vibrant color, mild aroma, and slightly sweet flavor. It is an ideal choice for adding both visual richness and a balanced taste to dishes. Free from heat, it suits all palates. Commonly used in breakfast dishes, soups, meat and vegetable meals, and sauces, its natural composition and finely ground form allow it to blend easily and enhance the flavor of your food.

Ground Cumin
SKU: 2700028

Ground Cumin, known for its sharp aroma and distinctive scent, adds an authentic flavor to traditional dishes. Its powdered form blends easily into meals and is especially popular in recipes for meat, legumes, soups, and meatballs. Dried and ground using natural methods, this product delivers a strong flavor even in small amounts. When stored properly, it maintains its freshness for a long time.

Whole Cumin Seeds**SKU: 2700027**

Natural and additive-free whole cumin seeds add a unique flavor to dishes with their distinctive aroma and mild spiciness. They are commonly used in meat and vegetable dishes, salads, and pickles. Our product is packaged under hygienic conditions and should be stored in a cool, dry place. To maintain freshness, it is best kept away from direct light.

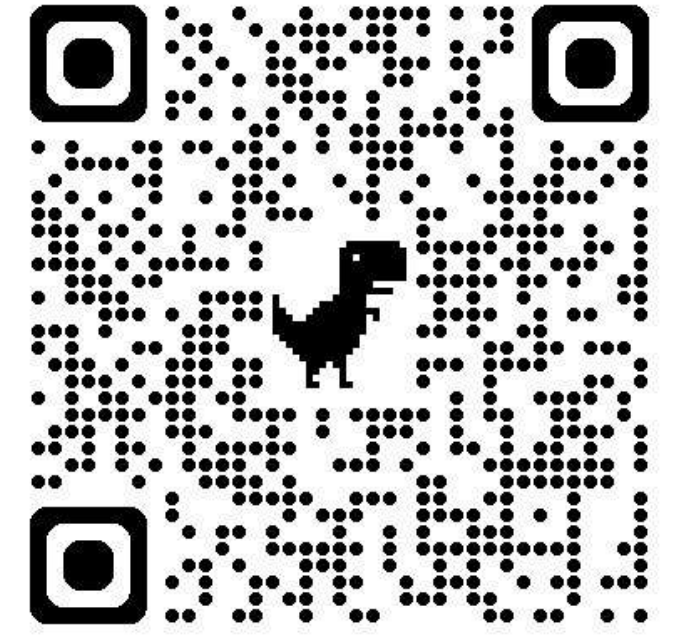

Sumac
SKU: 2700017

This special spice, made from the dried leaves of the sumac plant, adds a refreshing flavor to dishes with its unique tangy aroma. The leaf form offers a milder and more natural tartness compared to powdered sumac and is especially preferred in salads, kebabs, and meat dishes. Holding an important place in regional cuisines, the leaf sumac is carefully dried and sorted to preserve its natural qualities. To maintain its flavor, it is recommended to store it in a cool, dry place.

Whole Sumac Berries**SKU: 2700020**

Whole Sumac Berries are harvested and dried fruits of the sumac plant, known for their strong tangy aroma. They are especially favored in meat dishes, salads, and regional recipes. Stored whole before grinding, they retain their aroma for a long time. Thanks to their whole form, users can brew sumac water or freshly grind it as desired. This natural product, commonly used in traditional cuisines, adds a refreshing and unique flavor to dishes.

Ground Black Pepper
SKU: 2700001

This variety of black pepper, known for its ground form, adds a distinctive sharp and aromatic flavor to dishes. It is commonly preferred in recipes for meat, soups, vegetables, and sauces. Prepared under hygienic conditions and free from additives, our product is offered with the assurance of Sena Baharat. Store in a cool, dry place away from light.

Whole Black Peppercorns

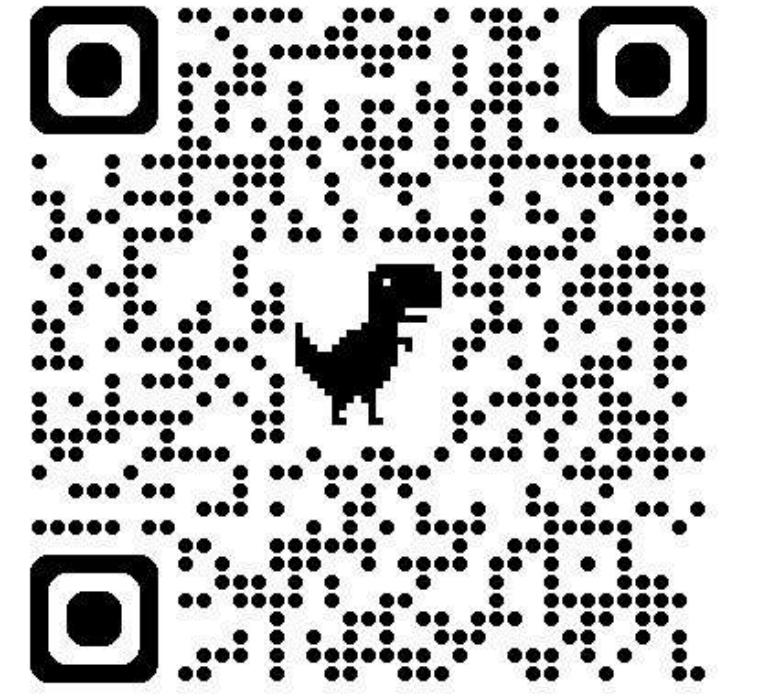

SKU: 2700001

Whole black peppercorns are ideal for those who want to grind fresh spice flavor in their dishes. With their strong aroma and characteristic sharpness, they are used in many recipes such as meat, chicken, soups, and pickles. Our product contains no additives and is packaged hygienically, preserving its natural quality. Store in a cool, dry place away from light.

Isot (Urfa Chili Pepper)

SKU: 2700030

Pure Isot, prepared using traditional methods and free from additives, adds an authentic and balanced heat to your dishes. Especially preferred in kebabs, soups, and sauces, this spice is packaged to high-quality standards. Storing it in a cool, dry place away from light helps preserve its freshness and aroma.

Dried Thyme Leaves

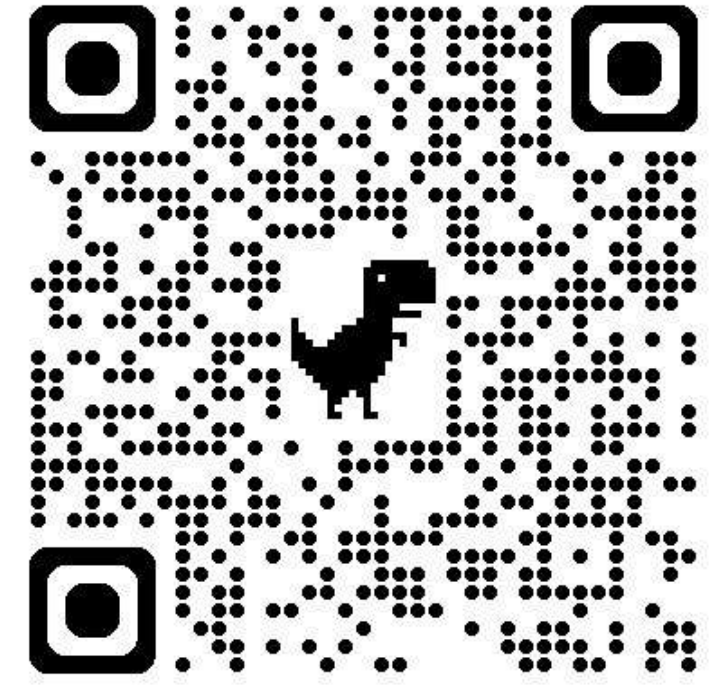

SKU: 2700006

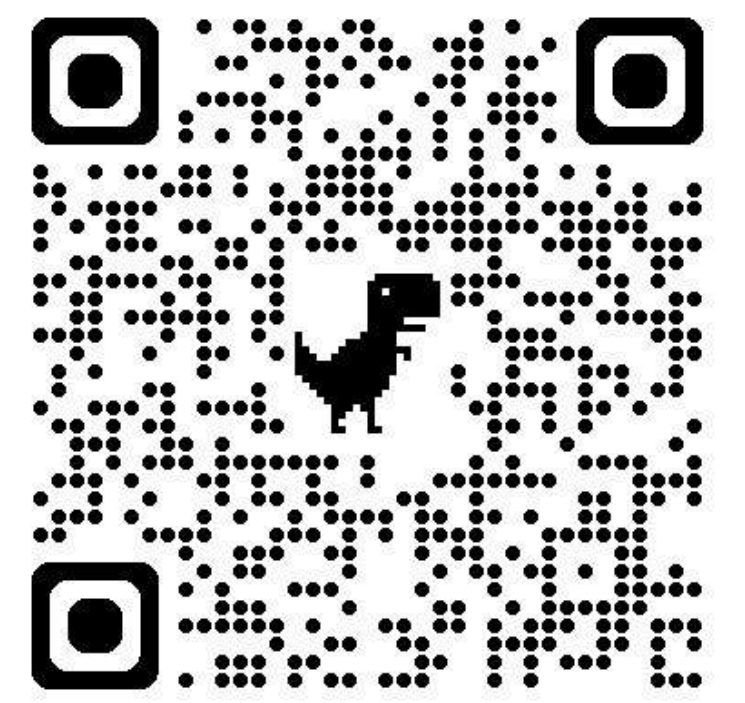

Natural and additive-free dried thyme leaves add a mild aromatic flavor and refreshing scent to dishes. Commonly used in meat, vegetable dishes, soups, and salads. Our product is packaged under hygienic conditions and should be stored in a cool, dry place away from light to maintain its freshness.

Whole Thyme Buds
SKU: 2700008

Natural and additive-free whole thyme buds add a unique flavor to your dishes with their fresh and intense aroma. They are commonly used in meat and vegetable dishes, soups, and marinades. Packaged under hygienic conditions, it is recommended to store the product in a cool, dry place away from light to preserve its freshness.

Large Mountain Thyme**SKU: 2700009**

Natural and additive-free large mountain thyme adds a unique flavor to dishes with its rich aroma and fresh leaves. It is especially preferred in meat, vegetable dishes, and soups. Our product is packaged under hygienic conditions and should be stored in a cool, dry place away from light to maintain its freshness.

Dried Mint
SKU: 2700005

Natural and additive-free dried mint adds a fresh flavor to dishes, teas, and salads with its refreshing aroma. Our product is packaged under hygienic conditions and should be stored in a cool, dry place away from light to maintain its freshness.

About Us

Inspired by tradition and combining it with naturalness, Sena Baharat offers special products for both home kitchens and professional businesses. Our goal is to bring together freshness, quality, and trust in every product.
